Huge Brown Bear Acts . As Traffic Cop On 90 Miles of Mountain Road

Ciliton, Ariz, Ort. 28.—A huge cin-tumon hear, 1989 peunds of energy and frown hide, is holding down the 29 niles of roadway between Metcalf, Ariz, and Mogellen, according to depu-y sheriff Jim Pollard of Greeniee county, who has just returned from hat section.

county, who has just returned from hat eection.

Some say the bear is acting as a raffic cep; others that he is a striker jeket helding the faithful into Methalf. Anyhow, says deputy Pollard, wed Mexicans from Metcalf started on se bag hike for Mogollon. They had one 5% miles when they met the bear, is was strelling along his beat in the siddle of the road. When he saw them oming hrum stopped short, He reared pon his haunches, looming some nine eet into the air. He raised his right aw like a traffic cop and the liexings stopped in perfect unison. On oth sides of the road rose canyon alls. There was no way around and either traveler was armed.

Then the bear, using both paws, caved the men lack toward Metcair. Tithout a word of protest they furned out the track.

waved the men back toward Matcail. Without a word of protest they turned and started on the 50 mile back track. The bear stayed right where he was Deputy Pollard, also going foward Mosolion, said he met the Mexicans a few miles farther back.

'I had my horse and my sixshooters,' he said afterward, "but I had seen that bear once before, charging down a box canyon like a race horse. I knew nothing could stop him but a high powered rifle and I didn't have that.

'So the Mexicans and I just trailed hack into Metesalf."
